

things as youth and adult leadership to training and employment.

One of the most successful Core City Neighborhoods program has been an after school program for children aged 6–13. The program seeks to strengthen academic and life skills, such as substance abuse and violence prevention, as well as provide a safe and positive environment for the youth involved. The program also provides children with tutoring and mentoring. They work on homework together, and play board games and sports in an effort to aid in the development of teamwork skills and self confidence.

Another program sponsored by CCN is the Multi-Family Apartment Building Acquisition and Rehabilitation Program. The goal of this program is to prevent further loss of highly visible apartment buildings, buildings which truly serve as the foundations of the Southwest Detroit community. The program includes counseling. Homebuyers Club, Home Repair workshops, loans and referrals on such topics as credit and budgeting.

Core City Neighborhoods has also been directly responsible for the development of nearly 200 units of housing, totaling over \$12 million of reinvestment into the Southeast Detroit community. This includes the development of the Alberta W. King Village Apartments, which were built to house low to moderate income families.

I applaud the many people involved with Core City Neighborhoods on the extraordinary work they have done on behalf of Southwest Detroit. No group works harder to build up this community, both physically and spiritually. On behalf of the entire United States Senate I thank Core city Neighborhoods for fifteen successful years of civic service, and wish the organization continued success in the future.●

PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-627. A resolution adopted by the Senate of the State of Michigan relative to a proposed mitigation policy for portions of the Lake Michigan shoreline; to the Committee on Environment and Public Works.

SENATE RESOLUTION No. 209

Whereas, The United States Army Corps of Engineers, through its Detroit district office, has issued a proposed erosion mitigation policy for shore protection projects along the eastern shoreline of Lake Michigan's Lower Peninsula. This proposed policy is designed to minimize damage to the delicate ecology of the shore by structures constructed to save property threatened by erosion. The corps is seeking public comment until September 29, 2000; and

Whereas, The policy proposed provides for a series of requirements and reviews to safeguard the shoreline from damage that may occur at locations that can be some distance from any retaining wall or other project. A variety of permit options are presented; and

Whereas, There are many aspects of the proposed policy that have generated concern. One of the key problem areas is the possibility that the Corps of Engineers may be impinging upon the rights of private property owners to take reasonable steps to protect their property. Requirements for private property owners who follow regulations in constructing protective seawalls to bear all of the costs of beach nourishment can be a major obstacle for a property owner protecting his or her property; and

Whereas, In any discussion of the erosion mitigation policy, it is essential to determine the authority for the establishment of policies and for the enforcement of them. The line between congressional responsibility and the Army's responsibility must be understood for both clarity and consistency. This will also contribute to public support for shore protection practices; now, therefore, be it

Resolved by the Senate, That we urge the United States Army Corps of Engineers to hold public hearings on its proposed erosion mitigation policy for portions of the Lake Michigan shoreline (file number 00-900-001-0); and be it further

Resolved, That copies of this resolution be transmitted to the Detroit District of the United States Army Corps of Engineers, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

REPORTS OF COMMITTEES

The following reports of committees were submitted:

By Mr. THOMPSON, from the Committee on Governmental Affairs, without amendment:
